Dear Mr. Ward:

This letter will respond to your Data Request 2, Number 5. Please see the response below:

5. Please provide a detailed explanation of additional cost incurred above the previous rate case cost from UW-060583. Include copies of any significant expenses.

RESPONSE: It is expected that the legal fees for this filing will be higher than what was involved in UW-060583. This case presents at least one novel issue. To date, attorney's fees related to the rate case amount to \$1,800.

Sincerely,

RICHARD A. FINNIGAN
